Dear Ms. McGovern:

Previously you came to the Van Nuys Branch of the Los Angeles County District Attorney's Office regarding whether the Los Angeles County District Attorney filed sexual assault charges against a suspect whose name you provided. At that time I checked our computer system for you and found no such criminal filing or prosecution by the Los Angeles County District Attorney's Office.

On a different occasion you stated you spoke with Los Angeles County District Attorney Investigator Greg White. He contacted the Orange County District Attorney's Office and found out **the Orange County District Attorney's Office filed sexual assault charges against the suspect. The Los Angeles County District Attorney's Office did not.**

If you want information about the criminal case against that suspect, **you need to contact the Orange County District Attorney's Office.**

In an e-mail you requested information on how to serve Investigator White and me. We have no information about the criminal case the Orange County District Attorney's Office filed because we do not work for that agency. **You need to contact the Orange County District Attorney's Office.** Nevertheless, if you wish to serve Investigator White or me, the subpoena(s) must be served at:

Los Angeles County District Attorney's Office
Hall of Justice
211 West Temple Street
Los Angeles, 90012

You must pay \$275 for each subpoena you wish to serve.

JACKIE LACEY
DISTRICT ATTORNEY
